

UNIVERSITY OF  
CAMBRIDGE

## COURSE 1: KEY ESSENTIALS: The Sustainable Development Goals and the Law

This online course engages learners in thinking critically about how sustainable development is reflected in law and governance worldwide. Introduces learners to the role of governance in sustainable development law. Prepare learners to strengthen the role of law and policy in monitoring and reporting. And inspire learners to advance their global careers in sustainability and justice.

Covering the law and practice of SDGs in the global economy, the global biosphere and the global society, this course offers current and future law and policy leaders worldwide (from public sector, corporate world, NGOs or academia) a deeper understanding of sustainable development law principles and practices, democratizing education for global sustainability and justice.

- Course Dates: 4 - 17 March 2024
- Duration: 2 weeks
- Cost: Full Scholarship Available For All Selected Learners
- Application Deadline: 15 February 2024 (Thursday), 11:59pm GMT

**Apply for 100% scholarship**

## COURSE 2: KEY ESSENTIALS: The Wealth Economy, Sustainable Development and the Law

This online course introduces learners to the core challenges inherent in promoting a wealth economy; engages learners in thinking critically about how nature and other goods are valued in accounting codes, law and policy worldwide; introduces learners to the role of governance in supporting a wealth economy; prepares learners to strengthen the role of law and policy in monitoring and reporting; and inspires learners to continue their professional development.

This course offers current and future experts from public sector, corporate world, NGOs or academia a deeper understanding and an overview of the emerging approaches and frameworks of public policy for the Wealth Economy. The course examines key challenges and solutions in scaling up implementation worldwide and in learners' jurisdictions, while democratizing education for global sustainability and justice.

- Course Dates: 25 March - 7 April 2024
- Duration: 2 weeks
- Cost: Full Scholarship Available For All Selected Learners
- Application Deadline: 15 February 2024 (Thursday), 11:59pm GMT

**Apply for 100% scholarship**
